

Archers Peach Schnapps

Diageo

700 ml Glass Bottle

Product code: 7101370

DESCRIPTION

Archers was inspired by the traditions of fruit schnapps in Central Europe. In Northern Europe people experimented with many ingredients, including vegetables, fruits and berries. They produced a drink called schnapps. Enjoy as a long drink with cranberry, orange, tonic, champagne, lemonade... or try as a cocktail.

TASTING NOTE

Traditional schnapps have a harsh taste - Archers has mellowed the finest clean, crisp schnapps with natural freshness of peaches.

PERFECT SERVE

Best served over ice with lemon & lemonade.
